

Seasonal Package: Summer Entertainment Shoppers

Reach Summer Entertainment Shoppers and drive campaign outcomes with this seasonal package that combines premium supply with shopper insights!

This US-based package allows you to reach online shoppers who are in-market for gifts for outdoor activities, grilling and cooking, beach and pool clothing and accessories, electronics and home & garden goods.

Combining context and intent.

Commerce Grid supply packages marry premium inventory with audiences based on past shopping data, recent search queries, and content consumption.

Powered by trillions of observed online commerce events, Criteo's proprietary Commerce Affinity Audiences index users most likely to make a purchase in a specific category, ensuring you can reach the right user in the right place.

Criteo Search Intent Audiences add an additional layer of purchase intent by finding users who have recently searched specific terms, making them targetable across the open web.

Summer Splurging

In 2024, summer shoppers are most likely splurge on travel, dining-out and apparel according to McKinsey's latest consumer sentiment [report](#).
